

Adoption Process for PETCO Cats

Congratulations on your decision to adopt! By choosing adoption, you are saving a precious life and providing a home for a cat that would otherwise remain homeless.

The cats at PETCO are provided by Precious Purrs & Paws Inc. They are brought to PETCO through a partnership with the Peninsula Humane Foundation.

Adoption Package - \$99

The adoption package includes the following services:

- | | |
|--|--|
|  Spay/neuter surgery |  De-worming treatment |
|  FeLV & FIV tests |  Advantage flea treatment |
|  FVRCP shot (distemper) |  Basic health exam |
|  Rabies vaccination |  PETCO Coupon Book |

The value of these services is over \$300. This non-profit effort is funded solely by volunteers and foster families, so donations beyond the \$99 adoption fee are appreciated and will be used to help other cats in need.

Adoption Process:

Adoption counseling will be conducted over the phone so that you can complete your adoption at PETCO. Below is the adoption process:

1. Call Precious Purrs & Paws at 804-654-9350 between the hours of 9am-9pm and ask to speak with Janine Thompson. Your call will either be answered immediately or returned within a few hours. If you leave a message, please clearly state your name and phone number. Rest assured that all adoption requests will be answered in the order in which they are received!
2. If the cat is not already in the process of being adopted, it will be placed on hold for *one business day* to give you time to prepare for your new pet. Payments may be made by VISA, MasterCard, or Discover Card – cash and checks cannot be accepted.
3. Once your adoption is approved, you can return to PETCO to pick up your kitty and a PETCO Associate will complete a one-page adoption agreement with you.
